# Exclusively on Refinitiv Messenger GLOBAL MARKETS FORUM

Reuters journalists. Leading financial experts. Powerful connections.

## Get a head start on market-moving developments and network with top minds from finance and politics in real time. Join the conversation.

Moderated by Reuters journalists, the Global Markets Forum is an exclusive editorial community for financial market professionals, available for free on Refinitiv<sup>®</sup> Messenger.

As the world's first macro, cross-asset, global community forum, it surfaces the most critical market topics, the widest range of perspectives and hosts influential guest voices in real time.

# 1. Get a head start on your day. Leverage the editorial power of the world's largest news organization

Experienced Reuters editors handpick the day's key stories and deliver critical market developments to you – hot off the press. The forum also brings you special news coverage of significant market events including the World Economic Forum in Davos and live coverage of key global events.

"GMF enables me to keep up with the latest developments in financial markets, but it also provides a place where open, respectful and informed debate takes place. I highly recommend GMF as a source for all serious investors."

Vincent T., International Economist, Independent Financial Risk Advisory Firm

## 2. Imagine yourself in a room full of great ideas. Gain collective market wisdom from diverse, trusted sources

Weigh in on expert opinions drawn from a wide range of influential voices in the financial markets: policy makers, industry thought leaders, corporate executives, media and academia in real-time debate. Hear different perspectives, share your thoughts and test new ideas.

"GMF stands out for its diversity – the diversity in its coverage of global topical issues, its invited guests, its participants and their range of knowledge and opinions."

Jitesh S., Senior Portfolio Manager, European Investment and Technology Firm

#### 3. If you don't already have a little black book full of market experts, the forum is a great place to start. Tap into our network of blue chip contacts and make new connections

With industry veterans, senior decision makers and other market participants from all over the globe joining the forum every day, networking is easy. Gain direct access to new contacts, build your own network and uncover new opportunities.

"The GMF makes my day easier. No matter all the other service providers and financial information sources, my day only really starts when I log into GMF and start reading the posts there. Reliable and insightful, that's how I see GMF. GMF – that's THE difference between Refinitiv and others."

David R., Corporate Treasurer and Risk Manager, Leading Portuguese Corporate

Companies could suffer a cash flow deficit of up to 200 billion pounds, and lenders could suffer credit losses of less than 80 billion pounds, the BoE's Financial Policy Committee said in its Financial Stability Report.         "It remains the FPC's judgement that banks have the capacity, and it is in the collective interest of the banking system,         Image:
